A NEW KIND OF BOUTIQUE CHIC

Where nostalgia meets urban chic, the Kuala Lumpur Journal is a new concept hotel in the heart of the city

Stylishly designed with a modern retro vibe and a unique local flavour, we like to think we take care of the essentials like fuss free WIFI, a great night's sleep and good service but pay attention to the things discerning modern day travellers really want.

On our checklist – fast check-in, good connectivity for all smart devices, flexible communal space

intelligently designed for creative work and play, friendly and efficient service only when you need it, thoughtful amenities that add a personal touch to your stay, comfort and quality at good value and last but not least a great location. Plus we give you an insider's scoop on the city away from tourist traps.

For a night out, we are just minutes away from the vibrant Changkat neighbourhood with its speciality bars, live music and restaurants. Plus we have excellent access to the monorail, LRT stations and bus networks so getting around is easy and hassle free.

THE SHACK @ WORKERS UNION

An oasis in the city, this alfresco beer garden is surrounded by lush greenery and invites you to relax and unwind as twilight hits the city.

Weathered wooden long tables, vintage chairs and dramatic lighting serve as a backdrop to the food that features a casual menu that is big on flavour – all churned out from a custom built container kitchen that gives the place a pop up restaurant vibe. Couple great unfussy food with a cold craft beer from the open bar and feel the stress of the day slip away.

BOUNTY

A bistro inspired eatery with a classic menu and an open pastry studio that serves up delectable pastries, freshly baked breads and cakes on a daily basis. It offers a hearty breakfast and the essential caffeine fix. For lunch, gourmet sandwiches, fresh salads and traditional mains are on the menu. If you are pressed for time just "grab and go" with a sandwich made from our fresh selection of breads or opt for a delicious flaky pastry or sweet treat from our takeaway pastry bar.
